Well onTarget® understands how hard it can be to maintain a healthy lifestyle. Sometimes, you may need a little motivation. That's why we offer the Blue Points® program. This program may help you get on track — and stay on track — to reach your wellness goals.

With the Blue Points program, you will be able to earn points for regularly participating in many different healthy activities. You can redeem these points in the online shopping mall which provides a wide variety of merchandise.

Created with your needs in mind, the Blue Points program has many convenient, user-friendly, personalized and flexible features.

Earn Points Instantly

The program gives you points immediately, so you can start using them right away.*

Get Extra Points

Don't have enough points yet for that reward you really want? No problem! You can apply the points you have and use a credit card to pay the remaining balance.

Easily Manage Your Points

The interactive Well onTarget portal, available at wellontarget.com, uses the latest user-friendly technology. This makes it easy to find out how many points are available for you to earn. You can also track the total number of points you've earned year-to-date. All of your points information will appear on one screen.
